REPORT

OF THE

UNDER-SECRETARY OF STATE

To the Honourable
CHARLES MURPHY,
Secretary of State of Canada.

SIR,—I have the honour to submit to you a statement of the work of the Correspondence Branch of the Department of the Secretary of State for the year ended March 31, 1911.

INCORPORATION OF COMPANIES.

The number of charters, including supplementary charters, issued under the Companies Act during the fiscal year 1910-11 was 544 as compared with 493 in the last previous year. The total capitalization of new companies was $458,415,800, and the capitalization of existing companies was increased by $24,715,600, the whole amounting to $483,131,400, as compared with $348,377,800 in 1909-10.

Particulars as to the objects, powers, capital stock, &c., of the companies incorporated or granted Supplementary Letters Patent during the twelve months will be found in my report of the work of the Registrar's Branch of the Department.

The Departmental report for the period ended March 31, 1908, included a complete list of all companies to which charters, either original or supplementary, or both, has been granted under the various joint stock companies Acts of Canada from as far back as 1821 to that date. That list is not contained in the present report, the intention being to publish it at intervals of five years, each yearly report in the meantime to contain as usual the record of the charters and supplementary charters issued in the twelve months which it covers.

NATURALIZATION OF ALIENS.

In my report as Deputy Registrar General above referred to, full particulars are given of all naturalizations effected throughout the Dominion for the twelve months since the date of the last return, viz., to December 31, 1910. Complete returns showing the names, places of residence, and former nationalities of all Canadian naturalized subjects of His Majesty are tabulated and recorded in the Registrar's Branch of the Department, and are always available for reference.

The payments to the returning officers, details of which will be found in the report of the Auditor General, amounted to $4,693.61. All the correspondence in connection with the returns and all the accounts for the same were dealt with in this branch.

CANADA TEMPERANCE ACT.

Two elections under this Act were held during the past year, both in the Province of British Columbia, and upon petitions to bring the Act into force, the one in the City of Prince Rupert and the other in the City of Chilliwack. In each case the petition was defeated.

At this date the Canada Temperance Act is in force in the following counties and cities:—

Nova Scotia.

Counties of Annapolis, Cumberland, Digby, Guysborough, Hants, Kings, Pictou, Queens, Shelburne and Yarmouth.

New Brunswick.

Counties of Albert, Carleton, Charlotte, Kings, Northumberland, Queens, Sunbury, Westmorland and York, and City of Fredericton.

Manitoba.

Lisgar and Marquette.

The Act is not in force anywhere in any of the other provinces or territories.

The net revenue exceeded the expenditure of the Department for salaries and contingencies by $126,170.22, and after covering all other expenditure, including the collection of returns under the Naturalization Act; the cost of providing the library of the High Commissioner's office in London with Canadian books and periodicals; advertising in the *Canada Gazette*; subscription to the *Canadian Parliamentary Companion*, 600 copies, &c.,—left a credit balance of $119,082.74.

GENERAL.

Satisfactory progress continues in the work of classifying and indexing the books and papers, the accumulation since confederation, and in the preparation of a draft catalogue of the same. The greater part of this mass of documents is now arranged in the several rooms in what, prior to the transfer of the earlier documents to the Archives Branch of the Department of Agriculture, was the Records Branch of this Department. A draft catalogue of the books constituting the library of reference is now complete. During the year 1910, Imperial and Foreign publications were distributed among the several provincial governments, the universities and other institutions. The library has proved of great service to the public generally as well as the Departments for search and reference.

My report of the work done in the Registrar's Branch of the Department follows this. In addition to the list of charters of incorporation and supplementary charters, and the returns of naturalization already mentioned, it contains a list of all boards of trade registered in the Department, trade unions, loan companies. licenses granted to British and Foreign companies, commissions issued to public officers, and other useful information.

The synopsis of returns to addresses and orders passed by the Senate and House of Commons of Canada during the session of 1909-10, received and prepared by the Department, and presented through the Secretary of State, was published in last year's report.

The Civil Service List of Canada for the year 1911, showing the names, dates of appointments, and promotions, ages and salaries of all persons permanently employed in the several departments of the service and in the two Houses of Parliament on April 1, 1911, is now in course of preparation.

I have pleasure in expressing my satisfaction with the manner in which the staff of the Department have performed their duties during the year.

I have the honour to be, Sir,

Your obedient servant.

THOMAS MULVEY,

Under-Secretary of State.

SIR,

I have the honour to lay before Your Royal Highness the annual report of the Department of External Affairs for the years 1910-1911.

I have the honour to be,

Sir,

Your Royal Highness's most obedient servant,

W. J. ROCHE,

Secretary of State for External Affairs.

10th November, 1911.

REPORT

OF THE

UNDER-SECRETARY OF STATE FOR EXTERNAL AFFAIRS.

To the Honourable W. J. Roche, M. D., M. P.,
Secretary of State for External Affairs.

Sir,—I have the honour to submit my annual report upon the affairs of this Department for the year just ended* in the form of a brief review of the more important matters which have formed the subjects of the correspondence dealt with by the Department.

It will be convenient perhaps, to classify these matters under the headings of (1) Relations with Foreign Powers (2) Relations with other portions of the Empire.

(1) RELATIONS WITH FOREIGN POWERS.

NORTH ATLANTIC COAST FISHERIES ARBITRATION.

The decision of the Arbitration Tribunal upon the questions submitted to it with regard to the interpretation of the Treaty of 1818 conferring certain liberties on United States fishermen was pronounced at the Hague on the 7th September, 1910. The effect of the decision may be stated as follows:—

(1) The British contention that the liberty to take fish in territorial waters granted to United States fishermen by the Treaty of 1818 was subject to reasonable regulation by Great Britain without the consent of the United States, was sustained.

Provision was made by the convoking of the Commission of Experts for deciding the question raised by the United States as to the reasonableness of certain specified British regulations; but this matter was found to be susceptible of diplomatic settlement, and as a result of conferences between British and United States representatives held at Washington in January, 1911, the differences between the parties were adjusted.

(2) The right of inhabitants of the United States, while exercising their treaty liberties to employ as members of their fishing crews persons not inhabitants of the United States was established; but it was at the same time decided that such persons so employed derived no benefit or immunity from the treaty. Hence it would seem that such persons would be personally amenable to municipal laws restricting or prohibiting the exercise of fishing rights by them.

(3) It was held that the requirement that the United States fishing vessels should report was reasonable if reasonably convenient opportunity for such a report was afforded, but that they should not be subjected to the purely com-

*It has been found more convenient to bring this report down to the 31st July, 1911.

mercial formalities of report, entry and clearance at a custom house, nor to the payment of light, harbour or other duties not imposed on Newfoundland fishermen.

(4) It was held that United States fishermen exercising their limited treaty right to enter bays and harbours for shelter, repairs, wood, or water could not be required to pay light, harbour or other dues or to enter or report at custom houses, though any fishermen so entering and remaining more than forty-eight hours might be required to report where reasonably convenient opportunity so to do was afforded.

(5) It was decided that in measuring the "three marine miles of any of the coasts, bays, creeks or harbours" within which the United States had renounced the right to take, dry or cure fish the term 'bays' must be interpreted as applying to every bay on the coasts in question which might be reasonably supposed to have been considered as a bay by the negotiators of the Treaty, and that the three marine miles are to be measured from a straight line drawn across the body of water where it ceases to have the configuration and character of a bay. At other places the three marine miles are to be measured following the sinuosities of the coast.

(6) The liberty of the inhabitants of the United States under the Treaty to take fish in the bays, harbours and creeks on the so-called treaty coasts which was denied by Great Britain was established by the Tribunal.

(7) The right of United States fishing vessels resorting to the treaty coasts for the purpose of exercising their treaty liberties to have, when duly authorized, the commercial privileges accorded to United States trading vessels generally, was affirmed in so far as the Treaty of 1818 was concerned, but with the proviso that the treaty liberty of fishing and the commercial privileges should not be exercised concurrently.

Apart from their decision on the questions submitted, though in discharge of a duty imposed by the Special Agreement for the Arbitration, the Tribunal recommended for the adoption of the two Powers, rules and a method of procedure for the determination of all questions which might arise hereafter regarding the exercise of the Treaty liberties; they further recommended rules and a method for determining the limits of the bays along the treaty coasts from which the three marine miles were to be measured.

These recommendations are still under consideration.

PELAGIC SEALING. (BEHRING SEA).

In the course of the correspondence referred to in my last report the United States had pressed a suggestion, put forward some years ago, for an International Conference of Powers interested in the preservation of the fur- seal species, with the object of concerting the necessary measures to that end, and Canada had expressed willingness to take part in such a Conference; but intimated that she would not consent to any proposal for suspension of Pelagic Sealing unless satisfactory arrangements were made to compensate her for the abandonment of her right. This claim to compensation was admitted by the United States and as a preliminary to the proposed Conference a Treaty was concluded between Great Britain and the United States on the 7th February, 1911, whereby in consideration of the relinquishment by the former for a period of 15 years of her right of Pelagic Sealing in that part of the North Pacific and Behring Sea north of the 35° north latitude and east of the 180th meridian, she obtained a share of the land-take from the United States herd on the Pribilof Islands amounting to one-fifth of the gross take.

The coming into effect of this Treaty was conditional on the conclusion of an International agreement between Great Britain, the United States, Japan and Russia to prohibit to their respective subjects and citizens Pelagic Sealing in the area referred to.

The proposed International Conference including representatives of the Powers named was duly assembled at Washington in May last, the duty of representing Canada's interests at the Conference being entrusted to me. His Majesty's Ambassador at Washington, Mr. Bryce, and myself were the British representatives; Mr. Nagel, Secretary of Commerce and Labour, and Mr. Chandler P. Anderson represented the United States; Baron Uchida, the Japanese Ambassador at Washington, and Mr. H. Dauke, Japan; and Mr. P. Botkine, Russian Minister to Morocco, Mr. Brajnikoff, and Baron Nolde, Russia.

The meetings of the Conference continued through May and June until the 7th of July when a Treaty was finally concluded and signed by which it was agreed that Pelagic Sealing in the waters of the North Pacific Ocean north of the 30th parallel of north latitude and including the seas of Behring, Kamchatka, Okhotsk and Japan should be forbidden to the subjects and citizens of the four Powers during the life of the Treaty, which it is provided shall go into effect on the 15th December, 1911, and continue in force for a period of 15 years and thereafter until duly terminated by a year's written notice from any one or more Powers to all the others.

As compensation to Canada and to Japan for giving up a valuable right, the United States agrees to give to each an annual share amounting to 15% of the gross land take upon the United States rookeries and to make to each an advance payment as soon as the Treaty goes into effect of $200,000. Russia as a rookery owning power further agrees to deliver to Canada and to Japan annually 15% each of the gross yearly take on the Russian rookeries. Japan, the owner also of a rookery at Robben Island, agrees to deliver to Canada, to the United States and to Russia annually 10% each of the gross yearly take on the Japanese rookeries.

Great Britain also undertakes, in case any seal herd resorts to any islands or shores of the prohibited waters under her jurisdiction, to deliver annually during the term of the treaty to the United States, to Russia, and to Japan 10% each of the gross yearly take upon such islands or shores.

The provisions of the Treaty concluded between Great Britain and the United States of the 7th February, 1911, in so far as they are inconsistent with the later Treaty are superseded. The most important effect of this provision is to reduce the share of the United States land take to be paid to Canada from 20% to 15%.

PECUNIARY CLAIMS CONVENTION.

The agreement for the submission to arbitration of Pecuniary Claims outstanding between Great Britain and the United States referred to in my last report was signed on the 18th August, 1910. It provided for the constitution of an Arbitral Tribunal to which Pecuniary Claims agreed upon by the two Governments and arranged in schedules which have been approved by the United States Senate, shall be referred for decision. The time within which claims may be presented for settlement is limited to four months after the formal confirmation of the agreement which is to be made by an exchange of notes between the two Governments. The Agreement with a first schedule of claims thereunder and the Terms of Submission have been approved by the United States Senate.

TRADE RELATIONS WITH THE UNITED STATES.

Further negotiations in regard to this matter were initiated by the visit to Ottawa in November, 1910, of Mr. Henry M. Hoyt, Counsellor, and Mr. Charles M. Pepper, Commercial Adviser of the United States State Department, who accompanied by Mr. J. G. Foster, the United States Counsul General at Ottawa, held conferences with the Minister of Finance and the Minister of Customs. These conferences were resumed at Washington in January, 1911, and as a result it was agreed that certain specified products should be reciprocally admitted into either country from the other free of duty, that other specified products should be reciprocally admitted at identical rates of duty, while further specified Canadian products were to be admitted into the United States at special rates of duty and specified United States products admitted into Canada at special rates of duty. The agreement was to be carried out by concurrent legislation. Such legislation has been duly enacted by the United States.

TRADE RELATIONS WITH JAPAN.

In January, 1911, Japan gave notice of her intention to terminate as from the 17th July, 1911, the Convention of the 31st January, 1906, regarding commercial relations between Canada and Japan. Her main Commercial Treaty with Great Britain, that of 1894, with the supplementary conventions of 1895 and 1900 had also been denounced so as to expire on the same date; and a new treaty with the Mother Country was in course of negotiation. Opportunity was afforded to Canada to adhere to such new treaty but it was not thought advisable to take advantage of this opportunity.

A temporary arrangement on behalf of Canada was concluded and recorded in notes exchanged between the Secretary of State for Foreign Affairs and the Japanese Ambassador on the 7th July, 1911, agreeing that the products of either country imported into the other should enjoy most-favoured-nation treatment for a period of two years from the 17th July, 1911. An Act of the Canadian Parliament to give effect to this agreement was passed on the 19th May and brought into operation by Order in Council of the 13th July, 1911.

ALASKA BOUNDARY DEMARCATION.

Further progress was made in the demarcation under the provisions of the Treaty of 1906 of the portion of the boundary between Canada and the United States constituted by the 141st meridian. The demarcation between Natazhat Ridge and the Yukon River was completed by 57 miles of vista cutting and 101 miles of monumenting. The line was further traced from the point about 40 miles north of the Yukon where operations ceased last year to a point 10 miles north of the crossing on the Porcupine River, the customary belt of triangulation being laid down, line cutting being carried out from the starting point for a distance northward of about 63 miles and monumenting for a distance of 45 miles to latitude 85° 55′ North.

(2) RELATIONS WITH OTHER PORTIONS OF THE EMPIRE.

CANADA —WEST INDIES TRADE COMMISSION.

The Report of the Royal Commission appointed in 1909 to inquire into the question of trade relations between Canada and the West Indian Colonies was duly presented and published in August, 1910.

The Commission acknowledging the benefits which had accrued to the West Indian sugar industry from the preferential treatment accorded by the Canadian tariff considered that concessions should be made by the West Indian Colonies with a view to ensuring the continuance of such treatment. They expressed the opinion that the grant of a reciprocal preference was the only policy likely to be approved by the West Indian Colonies or by Canada; and submitted with their report a draft form of agreement to be entered into between Canada and the several West Indian Colonies with the object of giving effect to such a policy.

They further emphasized the importance of maintaining the steamship service between Canada and the West Indies and submitted recommendations for its improvement.

The recommendations of the Commissioners in regard to reciprocal preference have been accepted in principle by some nine of the West Indian Colonies; and the question of giving effect to them is now under consideration.

IMPERIAL CONFERENCE.

In pursuance of the policy approved at the Imperial Conference of 1907 of holding such conferences every four years an Imperial Conference was convened and met at London in May, 1911. Representatives of the Imperial Government and of the Governments of Canada, of Australia, of New Zealand, of South Africa and of Newfoundland attended the Conference.

The principal subjects discussed were:—

(*a*) Declaration of London.
(*b*) Navigation Laws.
(*c*) International Exhibitions.
(*d*) Uniformity of laws as to copyright, trade marks, patents and exclusion of aliens, &c.
(*e*) Naturalization.
(*f*) Naval and Military Defence.
(*g*) Improvement of telegraphic communications within the Empire.
(*h*) All-red Mail route.
(*i*) Treaties.
(*j*) Imperial Court of Appeal.

Resolutions were adopted approving the ratification of the declaration of London, recommending a scheme of Imperial Naturalization and expressing the desirability of greater uniformity throughout the Empire in the laws regarding Copyright, Trade Marks, Patents, Exclusion of Aliens, &c. It was recommended that proposals laid before the Conference by His Majesty's Government for an Imperial Court of Appeal should be circulated to the several Dominions; and that a Royal Commission should be appointed to investigate and report upon the natural resources of the Empire and the means for the improvement of its trade.

It only remains for me to add that the staff of the department have continued to perform their duties to my satisfaction.

I have the honour to be,
Sir,
Your obedient servant,

JOSEPH POPE,
Under Secretary of State for External Affairs.

OTTAWA, 31st October, 1911.

Department of External Affairs, April, 1911.

DEPARTMENT OF EXTERNAL AFFAIRS.

Regulations Respecting Passports.

Note.—Naturalized British subjects should bear in mind that their naturalization has no effect within the limits of the Foreign State to which they originally belonged, unless they have ceased to be subjects of that state, in the manner prescribed by the laws thereof, or in pursuance of a treaty or convention to that effect.

1. Applications for passports should be made in writing and enclosed in a cover addressed to "The Honorable the Secretary of State for External Affairs, Ottawa.'

2. The charge for a passport, whatever number of persons may be named in it, is two dollars. The fee payable must accompany the application. Postage stamps will not be received as payment.

3. Passports are granted only to British born subjects or to persons naturalized in the Dominion of Canada. A married woman is deemed to be a subject of the state of which her husband is for the time being a subject.

4. Passports are not valid after five years from the date of issue. Fresh passports must then be obtained. When the party is a naturalized British subject he will be so designated in his passport.

5. Passports are granted to all persons either known to the Secretary of State or recommended to him by some person who is known to him; or upon the production of a declaration by the applicant, a blank form of which may be obtained at this Department, verified by a declaration made by any banking firm or by any mayor, magistrate, justice of the peace, minister of religion, physician, surgeon, solicitor, or notary resident in the Dominion of Canada. In certain cases, the applicant's certificate of birth must be produced in addition to the declaration.

6. If the applicant for a passport be a naturalized British subject, his certificate of naturalization must be forwarded to the Department of External Affairs with the declaration; and his certificate of naturalization will be returned with the passport to the person who has communicated with this Department in the applicant's behalf for delivery to the latter. A statutory declaration to the effect that the proposed visit abroad is of a temporary character—giving the probable duration of same—and that the applicant intends to return to Canada and reside here permanently, must accompany the application for a passport.

7. A passport cannot be issued by the Department of External Affairs on behalf of a person already abroad; such person should apply for one to the nearest British Mission or Consulate.

8. Travellers who may have any intention of visiting the Russian Empire, the Turkish Dominions, the Kingdom of Roumania, Persia, Colombia, Venezuela, Hayti, or Eritrea, at any time in the course of their travels, must first have their passports *visés* at the nearest Russian, Turkish, Roumanian, Persian,

Colombian, Venezuelan, Haytian, or Italian Consulate as the case may be. For the information of travellers proceeding to any of these countries *via* Great Britain, it may be stated that the addresses in London of these consulates are respectively as follows:—The Russian Consulate-General, Windsor Chambers, 20 Great St. Helen's, E.C.; the Consulate-General of the Sublime Porte, 7 Union Court, Old Broad Street, E. C.; the Roumanian Consulate-General, 49 Parliament Street, S. W.; the Persian Consulate-General, 82 Victoria Street, S. W.; the Colombian Consulate-General, Friars House, New Broad Street, E. C.; the Venezuelan Consulate, Finsbury Pavement House, Finsbury Pavement, E. C.; the Haytian Consulate, 32 Fenchurch Street, E. C.; the Italian Consulate-General, (for Eritrea) 44 Finsbury Square, E. C. Passports may also be *visés* at any of the other Consulates of Russia, Turkey, Roumania, Persia, Colombia Venezuela, Hayti, or Italy in the United Kingdom. Travellers about to proceed to any other country need not obtain the *visa* of the Diplomatic or Consular Agents of such country.

N. B.—Although travellers are now free to enter most foreign countries without passports, colonial British subjects travelling abroad are recommended not to omit to provide themselves with passports, for even in those countries where they are no longer obligatory, they are found to be useful as affording a ready means of identification in case of need. British subjects intending to *reside* in Germany or Switzerland should provide themselves with passports.

R.S., c. 18, s. 2; 61 V., c. 17, s. 3; 2 E. VII., c. 22, s. 17. Exception.

APPLICATION.

3. Part I. of this Act shall apply only to such officers, clerks and employees in the Civil Service as were appointed previous to the first day of July, one thousand eight hundred and ninety-eight, and who do not come within the application of Part II. Part I.

of this Act: Provided that Part I. of this Act shall not apply to any person appointed on or after the first day of April, one thousand eight hundred and ninety-three, whose age at the time of such appointment exceeded forty-five years. R.S., c. 18, s. 2; 56 V., c. 12, s. 2; 61 V., c. 17, ss. 2 and 10.

Part II. **4.** Part II. of this Act shall apply only to the officers, clerks and employees in the Civil Service appointed on or after the first day of July, one thousand eight hundred and ninety-eight, and to those persons, in the Civil Service on the last mentioned date, who before the first day of January, one thousand eight hundred and ninety-nine, with the consent of the Governor in Council, elected to accept the provisions of the Civil Service Retirement Act, 1898, in lieu of the provisions of the Civil Service Superannuation Act. 61 V., c. 17, ss. 2 and 10.

Regulations. **5.** In any case of doubt the Governor in Council may, by general or special regulations, determine to what persons the provisions of this Act do or do not apply, and the conditions on which, and the manner in which, they shall apply in any case or class of cases. R.S., c. 18, s. 14.

PART I.

ELIGIBILITY.

Who eligible. **6.** The Governor in Council may grant a superannuation allowance not exceeding the allowance hereinafter authorized to any person who has served in an established capacity in the Civil Service for ten years or upwards, and who has attained the age of sixty years or become incapacitated by bodily infirmity from properly performing his duties. R.S., c. 18, s. 3.

Service before Confederation to be counted. **7.** Service in an established capacity in any of the departments of the executive government or offices of the legislature of any of the provinces, now included in the Dominion of Canada, before such province became a portion thereof, by any person who thereafter entered the Civil Service, shall be reckoned in computing his period of service for the purposes of this Act. R.S., c. 18, s. 13.

Breaks in service not to be counted. **8.** If the service has not been continuous, the period or periods during which such service has been interrupted shall not be counted. R.S., c. 18, s. 3.

Preliminary inquiry by Treasury Board. **9.** The superannuation of every civil servant shall be preceded by an inquiry by the Treasury Board,—

(a) whether the person it is proposed to superannuate is eligible within the meaning of this Act; and,

(b) whether the superannuation of such person will result in benefit to the service, and is therefore in the public interest; or,

(c) whether superannuation has become necessary in consequence of the mental or physical infirmity of such person. R.S., c. 18, s. 5.

Report of Board.

10. No civil servant shall be superannuated unless the Treasury Board reports that he is eligible within the meaning of this Act and that such superannuation will be in the public interest. R.S., c. 18, s. 5.

ALLOWANCES AND GRATUITIES.

Rates of allowances.

11. The superannuation allowance hereinbefore mentioned shall be calculated upon the average yearly salary, during the last three years of service, of the person to whom such allowance is to be made, and shall not exceed, if such person has served for ten years, but less than eleven years, an annual allowance of ten-fiftieths of such average salary, and, if he has served for eleven years but less than twelve years, an annual allowance of eleven-fiftieths thereof, and in like manner a further addition of one-fiftieth of such average salary for each additional year of service up to thirty-five years, when an annual allowance of thirty-five-fiftieths may be granted, but no addition shall be made for any service beyond thirty-five years.

Fraction of one-half or more equal to one year.

2. In computing the number of years of service for the purposes of this section, if the actual period of service includes a fraction of a year, the fraction, if equal to or greater than one-half, shall be counted as a full year's service. R.S., c. 18, s. 3; 3 E. VII., c. 10, s. 1.

Ten years may be added.

12. The Governor in Council may, in the case of any person who entered the Civil Service after the age of thirty years, as being possessed of some peculiar professional or other qualifications or attainments required for the office to which he was appointed, and not ordinarily to be acquired in the public service, add to the actual number of years of service of such person, such further number of years not exceeding ten, as is considered equitable, for reasons stated in the order in council made in the case, and such additional number of years shall be taken as part of the term of service on which the superannuation allowance of such person shall be computed. R.S., c. 18, s. 4.

Diminished allowance if service unsatisfactory.

13. If the head of a department reports with respect to any person employed in his department, and about to be superannuated, from any cause other than that of ill-health or age, that the service of such person has not been satisfactory, the Governor in Council may, as to him seems fit, grant such person a superannuation allowance less than that to which he would have otherwise been entitled. R.S., c. 18, s. 9.

Gratuity when yearly allowance not earned.

14. If any person to whom this Act applies is constrained, from any infirmity of mind or body, to quit the Civil Service before the period at which a superannuation allowance might be granted him, the Governor in Council may allow him a gratuity not exceeding one month's pay for each year of his service; and if any such person is so constrained to quit the service before such period, by reason of severe bodily injury, received without his own fault, in the discharge of his public duty, the Governor in Council may allow him a gratuity not exceeding three months' pay for every two years' service, or a superannuation allowance not exceeding one-fifth of his average salary during the then last three years. R.S., c. 18, s. 10.

Compensation if retirement compulsory.

Limited.

15. If any person to whom this Act applies is removed from office in consequence of the abolition of his office for the purpose of improving the organization of the department to which he belongs, or is removed or retired from office to promote efficiency or economy in the Civil Service, the Governor in Council may grant him such gratuity or superannuation allowance as will fairly compensate him for his loss of office, not exceeding such as he would have been entitled to if he had retired in consequence of permanent infirmity of body or mind, after adding ten years to his actual term of service. R.S., c. 18, s. 11.

Payment of allowances.

16. The allowances and gratuities granted under this Act shall, as to all persons appointed to the Civil Service previous to the first day of April, one thousand eight hundred and ninety-three, be payable out of the Consolidated Revenue Fund of Canada, and as to all persons appointed to the Civil Service on or after the last mentioned date, the same shall be payable out of the Civil Service Superannuation Fund, number two, hereinafter defined. R.S., c. 18, s. 15; 56 V., c. 12, s. 4.

R.S., c. 18, s. 6.

3½ per cent.
3 per cent.

18. A deduction shall be made from the salary of every person appointed to the Civil Service on or after the first day of April, one thousand eight hundred and ninety-three, at the rate of three and one-half per centum per annum on such salary, if it is six hundred dollars or upwards, and of three

per centum per annum thereon if it is less than six hundred dollars, and such deduction shall be carried to the credit of a fund called the Civil Service Superannuation Fund, number two, to which shall be added by the Government annually such a sum as, upon an estimate or valuation thereof based upon the H. M. Mortality Table of the Institute of Actuaries of Great Britain and a rate of interest of six per centum per annum, may be sufficient to make the amount thereof equal to the value of the prospective annuities payable therefrom. 56 V., c. 12, s. 3.

19. The deductions mentioned in the last two preceding sections shall be made only during the first thirty-five years of service. R.S., c. 18, s. 6. Deductions during 35 years of service only.

COMPULSORY RETIREMENT.

20. Retirement shall be compulsory on every person to whom the superannuation allowance hereinbefore mentioned is offered, and such offer shall not be considered as implying any censure upon the person to whom it is made; nor shall any person be considered as having any absolute right to such allowance, but it shall be granted only in consideration of good and faithful service during the time upon which it is calculated. R.S., c. 18, s. 8. When. No absolute right to allowance.

21. Nothing herein contained shall be understood as impairing or affecting the right of the Governor in Council to dismiss or remove any person from the Civil Service. R.S., c. 18, s. 8. Right of dismissal unimpaired.

DISMISSAL.

22. The Governor in Council may, on the recommendation of the Treasury Board, pay to any person heretofore or hereafter dismissed from the public service of Canada, who at the time of such dismissal was contributing to any civil service superannuation fund under the provisions of this Act, or who has contributed to any such fund or funds during thirty-five years of service, the whole, or such portion as the Governor in Council deems expedient of the amount so contributed by such person to such fund. Deductions may be repaid.

2. The Governor in Council may also, on the recommendation of the Treasury Board, in addition, pay to such person interest to the date of such dismissal on the contributions so repaid, or any portion thereof, at such rate of interest, not exceeding five per centum per annum, and calculated in such manner, as the Governor in Council deems advisable. 60-61 V., c. 15, SS. 1 and 2. With interest.

In discretion of Governor in Council.

23. Nothing in the last preceding section contained shall be construed to confer upon any person any right to demand or enforce the repayment of any amount contributed by him to any such fund, or any interest thereon, and all payments made under the last preceding section shall be wholly in the discretion of the Governor in Council. 60-61 V., c. 15, s. 3.

FORFEITURE OF ALLOWANCE.

In what cases.

24. Every person who receives a superannuation allowance, and is under the age of sixty years, and is not disabled by bodily or mental infirmity, may be called upon to fill, in any part of Canada, any public office or situation for which his previous services render him eligible, and which is not lower in rank or emolument than that from which he retired; and, if he refuses or neglects so to do, he shall forfeit his said allowance. R.S., c. 18, s. 12.

2. Every such clerk shall, however, before appointment obtain a certificate of qualification from the Commission, to be given with or without examination, as is determined by the regulations of the Commission, that he possesses the requisite knowledge and ability and is duly qualified as to age, health, character and habits.
